Dear Dragana

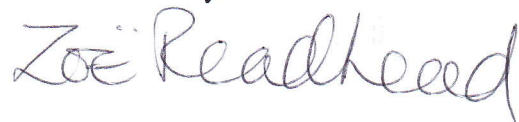

Following our recent contact, please find enclosed a brochure introducing and explaining Summerhill School; I hope you enjoy it.

Summerhill School forms part of a network of schools, organisations and individuals known as EUDEC, (European Democratic Education Community), which was founded in 2008 and is dedicated to the democratisation of schooling and education in Europe.

As Principal of Summerhill School, I am firmly supportive of the idea of the founding of democratic schools throughout Europe and would like to confirm my encouragement of your group project and offer my professional guidance, should you require it.

Best wishes to you.

Yours sincerely

Zoë Readhead
